
THAT CORNERSTONE UNLAYING ceremony that we have talked about for some time will finally take place next Monday, April 19, on the front lawn of the Campbell Grammar School at 1:30 p.m.

The stone was put in place in 1922. It will be interesting to see what it contains, for there have been many changes in this community in 43 years.

Although The Campbell Press has been in existence since 1895, the files of past issues are, unfortunately, incomplete. We have been unable to locate the issues that described the original cornerstone laying ceremony. Otherwise we might have some prior knowledge of the contents.

Since we first talked about this novel unlaying ceremony, we have learned that several people who are still around were on hand for the original ceremony. But none remembered the exact details of just what went into the container.

So all of us involved in this unique program are sort of going at it cold, one might say.

But that should make it that much more interesting.

Maybe we will find that missing issue of The Campbell Press

BILL HENLEY, who is more or less masterminding the affair, especially would like to have people attend who were there in 1922.

Lending moral assistance and helping to make the unique program Monday a joint city-school affair will be Mayor Charles Rose.

Charlie, a native of Campbell, was on hand that day in 1922. He was in the fifth grade and remembers marching by with his classmates and dropping a penny in the container. But he doesn't recall what else was in the box.

So, we are pretty sure that the box contains some coins.

Naturally Charlie has been picked to be one of the official openers.

After all he has an investment to protect.

With Howard Guilbert, president of the school board, we have been picked to assist the good mayor in the official opening of the box.

It's not that Charlie will probably need any help. He's pretty handy with a chisel or whatever tool will be necessary.

But, we will be witnessing history in the making.

After all, how many mayors do you know off hand who have allowed their original investment to remain untouched for 42 years?

And without interest yet.

Unlaying ceremony

Cornerstone comes out next Monday afternoon

Something new in historical events for this community will take place next Monday, April 19, afternoon, when the cornerstone of the old Campbell Grammar School, now occupied by West Valley College, is removed.

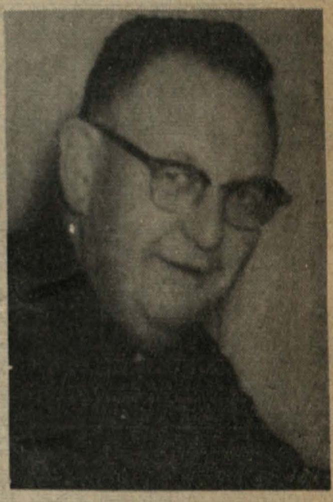
As far as can be determined this will be the first "cornerstone unlaying ceremony" in the community's history.

The program will take place at 1:30 p.m. on the front lawn of the school (Winchester at Campbell) at the southwest corner of the building.

Because the Campbell Grammar School building, temporarily occupied by West Valley College, ultimately will be replaced by business development, the city and school district personnel felt it appropriate to take measures to recognize and preserve the contents of its cornerstone as mementoes of historical value to the value to the community.

Superintendent Wm. C. Henley invites early settlers, the Chamber of Commerce, service club members, fraternal organizations, the Campbell Country Woman's Club who sponsor the museum in downtown Campbell, the Campbell City Council, city manager, and key administrators, to attend the program. The staff and students of West Valley College and Campbell Elementary School, former staff and students of the old Campbell Grammar School, and the boards of trustees and key administrators of the Campbell Union High School District, Campbell Union (elementary) School District and West Valley College District, will also be represented.

St. Lucy's pastor presents annual message for Easter season



FATHER
JOHN LALLY

Father John Lally, pastor of St. Lucy's Catholic Church in Campbell, since February, 1960, presents the 1965 Easter message for The Campbell Press. This follows a long-established tradition of The Press of having a local clergyman present a message at Easter and also at Christmas.

Father Lally, a native of San Francisco, is only the second pastor of St. Lucy's parish which was founded in 1946. He was ordained in 1938. In 1963 the members of St. Lucy's parish assisted in a silver jubilee celebration of his ordination.

St. Lucy's parish has had a phenomenal growth in the less than 20 years that it has been in existence. A new church was built in 1958 which now is proving too small for the congregation. Since Father Lally has been here, additional schoo classrooms have been built, a convent constructed and the parish house has been remodeled and expanded.

EASTER: THE NEW LIFE

Easter is not sufficiently well understood if we think of it only as the time when we reaffirm our belief that Christ rose from the dead. That the historical fact of the Resurrection is the keystone of the whole structure of Christian faith is still not sufficient reason why Easter should be the great feast that it is.

Easter is not a day to be compared to the Fourth of July although it is in all truth the celebration of our Christian freedom. But this celebration does not merely recall the act by which we were liberated, it revives our freedom itself in the renewal of the mystery in which we became free.

Lent has summoned us to change our hearts. But at the same time Lent has reminded us perhaps all too clearly of our own powerlessness to change our lives in any way. Lent in the liturgical year plays the role of the Law, the pedagogue, who convinces us of sin and inflicts upon us the crushing evidence of our own nothingness.

But now the power of Easter has burst upon us with the Resurrection of Christ. Now we find in ourselves a strength which is not our own, and which is freely given to us whenever we need it, raising us above the Law, giving us a new Law which is hidden in Christ: the law of His merciful love for us. Now we no longer strive to be good because we have to, because it is a duty, but because our joy is to please Him who has given all His love to us!

"This the day the Lord hath made. Let us rejoice and be glad therein."

Special services mark Holy Week for churches

Events leading up to the crucifixion of Christ and His resurrection will be commemorated in Campbell churches with services beginning on Holy Thursday, April 15.

ST. LUCY'S CHURCH

St. Lucy's Church, 2350 Winchester Blvd., will begin Holy Week services with Mass at 7:30 a.m. on Holy Thursday and a procession and adoration of the Blessed Sacrament at 6:30 p.m. Good Friday services will begin at 12 o'clock noon with Holy Communion at 1:45. Stations of the Cross will be held at 8 p.m. Good Friday evening.

Confessions will be conducted on Holy Saturday from 3 to 5:30 p.m. and from 7:30 to 9 p.m. and the Easter Vigil will begin at 11:15 p.m. with High Mass at Midnight. Easter Sunday Masses are scheduled for 7, 8:30, 9:45, 11:00 a.m. and 12:15 p.m. There will be no evening mass on Easter Sunday.

CONGREGATIONAL CHURCH

The Congregational Church of Campbell, 400 West Campbell Ave. announces that three special events will mark Holy Week. A Maundy Thursday Communion Service will be held Thursday evening, April 15, at 7:30 p.m.

The traditional Good Friday service will include the congregations

ALSO: trustees and unification

Junior college district bond issue features vote Tuesday, April 20

Next Tuesday, April 20, voters in the Campbell area will go to the polls to elect trustees for elementary, high school, and junior college districts.

Ordinarily such elections are routine affairs with a small voter turnout. But next Tuesday will be something different.

Taking top billing away from the trustee candidates is the $17.8 million West Valley Junior College District bond issue which will be on the ballot.

And there are a number of other highly important issues on the voter's lengthy ballot next Tuesday.

UNIFICATION

One of the issues is whether the Cambrian, Campbell, Burbank, Moreland, Union elementary school districts and the Campbell Union High School District should be unified.

Almost all the school districts involved while agreeing with the basic principle of unification are opposing the unification because of the size of the proposed unified district. It is anticipated that 70,000 students will be involved in the district within a few years.

Complicating the ballot even more is the question of a change in the county charter which will allow the county superintendent of schools to be ap-

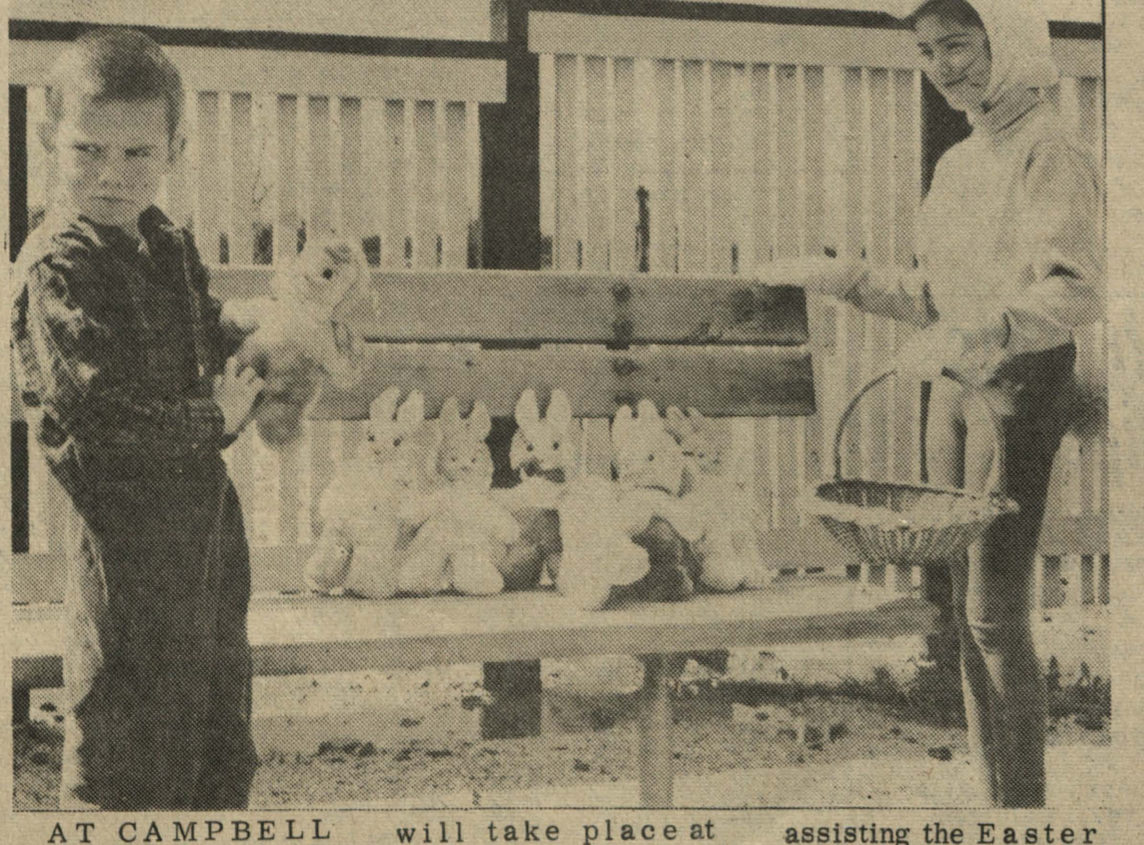
Campbell youngsters get two cracks at Easter eggs this Saturday in town



AT CAMPBELL PARK--Sponsored by the Campbell Chamber of Commerce under the direction of Rip Schleeter, the third annual Easter egg hunt will take place at Campbell Park (Campbell at Gilman) at 10 a.m. Saturday, April 17. Pictured above are Bobbie and Matt Howe, of 45 Budd Ave., assisting the Easter Bunny in concealing the eggs throughout the park. Many prizes will be awarded the youngsters.

AT CAMPBELL CENTER--Merchants in the Campbell Shopping Center (Latimer at Winchester) are sponsoring a gigantic Easter egg hunt on Saturday, April 17, at 2 p.m. in the parking lot at the center. The 16 merchants in the shopping center are offering 80 prizes to the youngsters participating in the annual hunt. A volunteer assistant to the Easter bunny is shown above.

Editorial

We recommend--

Voters go to the polls next Tuesday, April 20, to decide a number of important issues in the overall education picture of the school districts.

Ordinarily the election in April merely is for the election of trustees for school districts (elementary, high school and junior college). But this time, the election of trustees is merely one of the questions you must decide in the voting booth. There are a number of other questions with equal import.

But, first, let's take the trustee question:

TRUSTEES

In the Campbell Union (elementary) district we favor the retention of the three incumbents, Mrs. Eleanor Graham-Armstrong, Howard E. Guilbert, and John M. Merriell.

It is our considered opinion that these trustees have succeeded in efficiently administering a district in an explosive growth area, not an easy task.

We recommend their reelection.

For basically the same reasons, we also favor the retention of incumbents, Frederick C. Noe, Jr., Richard H. Penrose, and Eugene Riordan in the Moreland District and the reelection of Jack Farnham in the Cambrian District.

In the Campbell Union High School District we recommend the reelection of William N. Lloyd and Vernon R. Rutlen as trustees and the election of Clovis T. Mirassou to the other board opening.

Trustees for the West Valley Junior College District, although elected by the district as a whole, must reside in specific areas. Thus, this year, two trustees are to be elected from Area #1 (Los Gatos Union High School District).

Two incumbents, Bruce F. Allen and Dr. Edwin C. Browne, face four opponents.

We heartily endorse the retention of Allen and Browne, who got the junior college off the ground and, in our opinion, are doing a top-notch job as board members.

One member is to be elected from Area #2 (Santa Clara Union High School District.)

Jack Armstrong, incumbent, is being challenged by L. Stewart Rolls. We recommend Armstrong be retained.

One member of the county board of education is also to be elected. There are three candidates.

We recommend the election of Dr. Dewey A. Ganzel to the board.

COUNTY CHARTER

There is the issue on the ballot (county charter amendment) which would make the office of county superintendent of schools appointed by the county board of education. At the present time the superintendent is elected by the people.

We believe to attain the most efficiency in administration, the office should be appointive and not elective. Therefore, we recommend a favorable vote for the county charter amendment.

UNIFICATION

On the ballot is the question of the proposed formation of a unified school district in the Campbell Union High School District area.

We agree wholeheartedly with the principle of unification of school districts as a general policy. We believe it is vital to school planning that close coordination between elementary and secondary grades.

We believe that unification also tends to reduce costly duplication in services and there are many other advantages to unification.

BUT there is a limit in size, we also believe, when nothing can be gained by unification simply because the school districts are too large. Unfortunately, in our opinion, the Campbell Union High School falls into this category.

Something like 70,000 students would be involved eventually in this unified district.

WE think this is too large a district to be effective.

Therefore we recommend a no vote on the unification issue.

COLLEGE BOND ISSUE

We have previously endorsed the $17.8 million bond issue for the West Valley Junior College District and we reiterate our endorsement in this editorial.

The bond will provide funds for the construction of a complete campus for an estimated 5000 full-time student enrollment on a site in Sara-

The district is paying out more each year to provide services not possible in the present inadequate quarters in Campbell than it will cost to pay the annual bond payments.

A permanent campus can thus be built without a raise in the tax rate. A bond issue also equalizes the payments over a period of years whereas the "pay-as-you-go" method would be a costly burden to taxpayers each year.

We sincerely recommend a YES vote on the junior college bond issue.

face the voters next Tuesday, April 20.

Our endorsements, quite naturally, will meet with howls of disapproval from some quarters.

Wouldn't it be awful, if everyone was in agreement?

But we hope you read the editorial whether you disagree or agree with its contents.

Even call us and raise the dickens, if you want to. You should, you know. You have a perfect right to your opinion. And our editorial is our opinion.

We favor the $17.8 million junior college bond issue. We favor the retention of the three incumbent junior college board members, Bruce Allen, Dr. Edwin C. Browne and Jack Armstrong.

We oppose unification.

We favor William Lloyd, Vern Rutlen, incumbent high school board members, and the election of Clovis T. Mirassou.

But, shucks, read the editorial.

Then don't hold your fire.

But be sure to vote.

STARTING IN MAY the Planning Commission will meet on the first and third Mondays each month. Previously the commission has been meeting on the first and third Tuesdays.

The City Council will continue to meet on the second and fourth Mondays.

The change in meeting dates for the Planning Commission was done largely on our urging.

So those of you who have been berating the city hall people because you don't like the new schedule of meeting dates, get off theirs and on our back.

Our defense is simply that The Press is the only medium that gives a darn about Campbell. So we can do a better job of coverage for the community of the important actions of the planners when meetings are on Monday.

You see, because of the complexities of this newspaper operation, we must be ready for the press on Tuesday night before the Planning Commission met. But the paper, of course, appeared after the meeting.

To cover a current meeting we either had to anticipate the commissioner's actions, which is a delicate maneuver at its best or wait for another week to go by, which made our reporting pretty stale.

Actions by the Planning Commission are extremely important to the community as a whole.

The defense rests.

MORE ABOUT

Bond issue

pointed by the elected county board of education.

The amendment has provoked no opposition and is expected to pass easily.

BOND ISSUE

The $17.8 million junior college bond issue has taken the spotlight.

The purpose of the bond issue is to provide funds for the construction of a complete campus on a site in Saratoga now being acquired, and start purchase of two other needed sites while the land is still available.

The campus will be planned to house 5000 full-time students and the bond issue will allow this to be done without any increase in the tax rate.

The West Valley Junior College District is made up of three high school districts, Los Gatos, Campbell and Santa Clara.

Opposition to the bond issue generally has stemmed from the Saratoga area, a part of the Los Gatos High School District. Opponents maintain that tentative plans for the campus are too extravagant. The group leading the opposition is made up mainly of those who opposed the formation of the district in the first place and also the first bond issue that was barely defeated last year.

It will take two-thirds majority for the bonds to win.

In the trustee elections in the Campbell area, incumbents are being challenged in almost every district.

Bruce Allen and Dr. Edwin C. Browne, junior college trustees for area No. 1, are opposed by Richard B. Atchison, Dr. Dewey A. Ganzel, Warren H. Klippel and G. S. Marshall. In area No. 2, Jack Armstrong, incumbent, is opposed by L. Stewart Rolls.

In the Campbell Union High School District there are three vacancies on the board. William Lloyd and Vernon R. Rutlen are the incumbents. Other candidates are Clovis T. Mirassou, Mrs. Dorothy Y. Goble, Thomas J. Grogan, Morton H. Pastor, M.D., and Richard F. Pinkham.

Three incumbents are seeking reelection in the Campbell Union (elementary) District. They are Mrs. Eleanor Graham-Armstrong, Howard E. Guilbert, and John M. Merriell. Bernard L. Weddel is the only challenger.

In the Moreland District, Frederick C. Noe, Jr., Richard H. Penrose and Eugene Riordan are the incumbents seeking retention and they are challenged by Fred M. Peterson, Gus D. Streck, and John W. Anderson.

In the Cambrian District, Jack M. Farnham is the lone incumbent. Other candidates are Mrs. Virginia Grewohl, Donn P. McVeigh, Mrs. Alma J. Jefferson and John Shehtanian.

Campbell High girls win scholarships

Three Campbell High School senior girls this week were named winners of the cosmetology scholarships offered by the Campbell Optimist Club, according to Frank Linane, contest chairman.

The Optimist Club will also award scholarships to three girls at Camden High School and at Westmont High. Winners of the Camden scholarships will be announced in next week's issue of The Press.

The Campbell High winners are Maria Bryand, 101 Harrison Ave., Campbell; Sheryl Howell, 49 E. Rincon, Campbell and Kristie Dowling, 1436 Antonio Lane, San Jose. The essays and pictures of the Campbell winners will appear in next week's issue of The Press.

Council defers appeal action

An appeal of a Planning Commission ruling by a former mayor and a lengthy discussion over the city's policy on the future of San Tomas Expressway featured the City Council meeting Monday night.

Action by the Council on the appeal was deferred until May 10 to allow City Attorney Joseph Bonacina to report. But the Council finally, after much verbal by-play, went on record opposed to having the San Tomas Expressway go under any of Campbell streets if and when grade separations are ever built.

The two issues played the major role in extending the council meeting until 1:30 a.m. when the weary councilmen (and a few hardy bystanders) finally went home.

Richard Morton, prominent San Jose attorney and this city's first mayor, took the floor for more than one hour to blast the Planning Commission's ruling on the application of his client, Pete Cristich, who had applied for a building permit to extend his office building.

Morton claimed that the conditions levied by the commission, based on staff recommendation, were excessive, unfair and illegal. He said his client would not accede to them and would continue the battle in the courts if necessary.

Morton claimed also that the addition to the office building would only cost $7753 but that the conditions levied by the Planning Commission totalled more than $30,000.

The discussion over the San Tomas Expressway policy stemmed from a request by Chez and Grattan, developers in the Hamilton Ave. extension area, that the city go on record as to future grade separation designs. They wanted the city to indicate formally that the San Tomas Expressway would be elevated and that Hamilton remain at grade.

A resolution including this policy plus asking that the legs of the "square loop" at Hamilton and San Tomas Expressway be designated was opposed by Ted Regas, chairman of the Chamber of Commerce highway committee.

Regas maintained that a city policy should include all the streets involved by the San Tomas Expressway.

The Council finally by motion adopted the San Tomas Expressway elevated policy and directed the staff to prepare a policy resolution for all the streets affected by the expressway.

BLASTS COMMISSION-Richard Morton, San Jose attorney and this city's first mayor, on Monday night represented Pete Cristich, in an appeal from a Planning Commission ruling. Morton claimed that the conditions imposed by the commission were excessive, unfair and illegal.

Del Mar Dateline

by
Rosalie Ann Castello

Five command performances were given by Del Mar students March 20, at a "Solo Festival" held in Burlingame. These students taking command performances were William Erlendson, Janis Willard, David Larson, Tony Thrall, and a brass quartet consisting of William Erlendson, Tony Thrall, William Robbins and Phil Taylor.

Ratings were given according to the student's performance. Those who received ratings of excellent were the string orchestra, Carol Transeth, Mike Dubiaga, Greg Hains, Melodie Maiden and William Robbins.

Superior ratings were given to Chris D'Arcey, Judy Finch, Mike Zampiceni and John Detrick. Those receiving ratings as good were Phil Taylor, Pam Meadows, Travis Watkins and Wendy Wilkenson. According to Frank Triena, director of the orchestra, Del Mar has taken more command performances than any other school that participated in these festivals.

......

This year's "Laurel", Del Mar's yearbook, has many changes from last year's. The yearbook will retain the excellent additions it had last year but will also add several new features. These surprise features will be disclosed at a later date. The Laurel this year will have more photography, more writing, and no supplement. The yearbook itself will be bigger and better than any of the previous editions.

Los Gatos Horseshoe Club wins opener

The Los Gatos Horseshoe Club opened the newly organized Northern California Horseshoe League April 4 at Oakland against the Mosswood Club winning in A competition 10-6, and losing 7-9 in the B division.

Top pitchers for Los Gatos' four-man A team, winning three out of four games played were Stan MacCarty, Verdan Zelmar of Campbell, and Jesse Gonzales. Gonzales was the top ringer man for Los Gatos with 68.3% average for the four games. Stan MacCarty averaged 60.7%. Willard Lampkin subbed for Los Gatos Club Champion Connie Henderson, and won one game. Bill Blexrude, Oakland's 1963 California State Champ won all four of his games for Mosswood and averaged 74.1% ringers.

Home-and-home matches are scheduled for all league teams with the first home match for the local Los Gatos Club scheduled for Sunday, April 18; Sacramento to provide the opposition in A and B match play on the Los Gatos Courts in Oak Meadow Park beginning at 1:00 P.M.

Cal Childress, President of the Los Gatos Club, says that membership in the local club is open to all interested Santa Clara Valley horseshoe pitchers

Del Mar Sports

by Tom Jacob

Del Mar's swimmers faced the Saratoga Falcons on April 2, and came up with one-sided victories in the varsity, "B", and "C" divisions.

Once again it was Todd Hayes, Stan Poytress, Glenn Schanck, and Dave Shilling who topped the Dons' performers. Hayes had the leagues fastest time in the 100 butterfly for the week of April 2. He also had the third best time in the 200 freestyle. Poytress, Schanck, and Shilling, all "B"s, topped the league in the 100 freestyle, 100 backstroke, and 100 breaststroke respectively.

The four are also the top point-getters for the Dons. In 5 meets this season, with 5 points for a first, 3 for a second, and 1 for a third, Shilling has racked up a total of 55 out of the possible 60 points. Poytress followed with 50 points, and Schanck and Hayes had 49 points each.

The Del Mar varsity baseballers faced the Campbell Bucs on April 6, and after 9 innings of play, had to settle for a 10-10 tie. The game will be played-off later in the season, but the individual performances will stand.

The best performance of the day for the Dons was turned in by senior shortshop John Puglese, who had a 4 for 5 day at the plate to raise his season average to 545, second on the team only to Rhett Thompson's 556, for the first 9 games of the season.

The calender for the coming week finds the swimmers hosting the Del Mar Relays on Saturday, April 17, and the baseballers at Blackford on April 20.

Obituaries

Dewayne D. Hiatt

Funeral services for Dewayne Dean Hiatt, 21, of 1088 Harriet Avenue, Campbell, were conducted in Los Gatos at the Chapel of the Hills. Burial followed in the Los Gatos Cemetery.

Hiatt succumbed to massive head injuries after he lost control of his sportscar on Blossom Hill road and slammed into a pickup driven by Charles V. Parsons, 1184 Longfellow Ave., Campbell.

Hiatt was a native of San Jose and attended Campbell Grammar School and Campbell High School and served in the U.S. Army. He had been a body and fender repairman for Grant Bishop Chevrolet in Los Gatos. He is survived by his parents, Mr. and Mrs. Garner Hiatt of Campbell, three brothers, Darrel L. Hiatt, Ronald Hiatt, Randy Hiatt, all of Campbell, his sister, Miss Janet Hiatt of Campbell, and his paternal grandmother, Mrs. Dean Hiatt of Sacramento.

SUNRISE SERVICE

A Sunrise Service for Easter morning in the West Valley has been announced by the Santa Clara County Council of Churches. The interdenominational rite will be held at 5:30 a.m., Sunday, April 18, at Villa Montalvo in Saratoga.

RAIN DROPS

During the past week rain clouds dumped 1.70 inches of rain on Campbell, according to the Campbell Water Co. gauge. This brings the season total to date to 15.34 inches.

The heaviest rain came on April 9 when 1.01 inches fell. Last year the total for the entire season was 11.08 inches.

And at press time rain clouds were again gathering.

Women in our valley

Campbell matron returns from European tour

Is there no real "society" left in our valley these days? Has it become so watered down that the only "society" we Women's Page Editors have to write about are the clubs, the PTA and the brides? What about the "old families"... those who came to Santa Clara County fifty years ago or more? What about those leading citizens who were the founders of our businesses, our civil servants, our ranchers, our teachers, our professionals?

Mrs. Hughie Leigh Cross of Campbell is a member of one of these "old" and prominent valley families. She still resides in the family home at 131 Leigh Avenue. It is filled with mementoes of the past. Many of these "artifacts" have been given to the Campbell Museum.

Mrs. Cross is a fun-loving, spirited woman, who has just returned from an interesting trip to Europe along with George Milias, and ten others, representing the 22nd Assembly District Executive Inspection to Europe. The three week's tour included Paris, Berlin, Moscow, Prague, Vienna, Belgrade, Rome and London. At each city they were entertained by the Chamber of Commerce of each country, and given a tour of industries and historical spots.

While in Berlin she became acquainted with a German World War II U-boat commander who told her they would have taken England in two weeks except that "some fool invented a penetrating spotlight for the front of British planes and our subs couldn't hide in the water anymore." Later in London while having lunch with relatives, Mrs. Cross discovered that it was her cousin, Humphrey Leigh, a Royal Air Force Flight Commander, who had invented those particular spotlights for planes.

The youngest daughter of Hugh Alexander Leigh, Mrs. Cross is the widow of Army Colonel William J. Cross, and since his death has spent considerable time in travel. She has even gone tiger hunting with Frank Buck. She is looking forward to a trip to Johannesburg, South Africa, in December, to visit friends.

Her family has owned the Leigh Avenue property since 1873. Her father came from England in that year and purchased 180 acres of choice land in the Cambrian District. Leigh was most successful with fruit trees, and eventually had a valuable orchard of some 60 acres. Leigh Avenue, one of the choicest sections of the county, memorializes his name. In 1881 he married Miss Agnes McBain. There were four children, three daughters and a son.

Mrs. Hughie Leigh Cross now resides in her lovely old home and keeps in touch with old friends and makes new ones daily. She is active in Republican affairs and entertains often. She is indeed representative of one of this areas old and prominent families.

MRS. HUGHIE LEIGH CROSS

Garden Club will visit Menuhin estate

Both fun and study are planned for the members of the Campbell Garden Club at their regular meeting to be held today, April 14.

At 11:30 A. M. a caravan will leave from the Congregational Church of Campbell to proceed to Broadway and San Jose Avenues in Los Gatos. Here the group will be joined by other members and all will leave at noon to journey to the beautiful hilltop estate of Yehudi Menhuin. Mrs. Charles Smith will be the group leader.

After a no host picnic luncheon, a tour of the beautiful estate will be conducted by the hostess of the day, Mrs. Carl Coate.

Rummage sale

St. Francis Episcopal Church will conduct a rummage sale in the parish hall at Newport and Pine Avenue on April 29, 30 and May 1. Mrs. Lawrence Ferro is chairman.

Among Campbell residents who are communicants of St. Francis are Messers and Mesdames William Mettes, Don Hayden, Ernest Rideout and the Bennett Lancasters.

To elect officers

The Blossom Valley Garden Club will hold its annual election of officers on Wednesday, April 21, at the home of Mrs. Eugene Riggs, 205 Redding Road, Campbell, at 11:00 A. M.

Following the business meeting Mrs. Riggs, chairman of the day, will conduct the group on a tour of Mueller'S Cactus Garden.

Bridal shower for Janine Huff

Miss Janine Huff of Campbell, bride-to-be of Larry Hutchinson of Provo, Utah, was the guest of honor at a delightful miscellaneous bridal shower recently. The Hostess was Mrs. Roland Baldwin of 5008 Park Field Drive, and her four young daughters, Susan, Peggy, Barbara and Lynn.

Janine and Larry plan to be married in early June at the Mormon Temple in Oakland. The bride-elect is the daughter of Mr. and Mrs. Aaron Cronkhite of 184 Branbury Dr., Campbell, and is a graduate of Campbell High School. She attended Brigham Young University for one year and was previously employed at Lockheed. Her fiance is a senior at Brigham Young University and will graduate in August. He is the son of Mr. and Mrs. Howard Hutchinson of San Jose.

Spring flowers were displayed in attractive arrangements at last Wednesday's party and the honoree received many lovely gifts. Among those attending were Mesdames John Buchmiller, Linda Cheryl, Harold Leefeldt, Eldon Mackley, Merlin Bowen, Earl Christiansen, Hugo Patterson, Sally Mortenson, David Phillips, Jerry Auldridge, Blair Williams, Howard Christianson, Aaron Cronkhite, Howard Hutchinson, and the Misses Carol Naumann and Tony Rae Von Harten.

KAPPA'S SLATE OPEN HOUSE--Campbellite's Mrs. David B. Cox (left to right), Mrs. Robert Hosfeldt and Mrs. Paul Paulson, look over the many lovely items to be offered for sale at the bazaar table at Kappa Kappa Gamma's Open House on May 1. The San Jose State College sorority has just moved into their beautiful 3 story house at 360 So. Eleventh St. and members and friends are invited to tour the house as well as participate in bridge and dessert.

Kappa's plan house tour and bazaar table

The front door of the new San Jose State College Kappa Kappa Gamma House at 360 S. Eleventh St., San Jose, will open wide on Saturday, May 1 to welcome members and friends.

Campbell resident, Mrs. David B. Cox of 2303 Central Park Drive, is chairman of the Bazaar Table which is planned for the event. In addition, the fund-raising program will include a Tour of the house, Dessert, Bridge, Door Prizes, and a Raffle.

According to Mrs. Cox, Kappas throughout Santa Clara Valley have been busy for months creating many items to be displayed and sold at the Bazaar Table. "This will be a fine opportunity to buy special gifts for Mother's Day," Mrs. Cox said.

Construction of the 3-story Southern Colonial-styled Kappa House began last Spring. Sixty-four members moved in this month with their housemother, Mrs. Sara Cloud Hale. They became the occupants of one of San Jose State's largest sorority houses. Many of the Kappas living in the new quarters-will serve as tour guides for the May 1 event.

This money-raising project will provide funds for the Kappa Kappa Gamma Alumnae Association's philanthropies which include the revolving fund at Agnew State Hospital; the KKG National Scholarships, foreign study fellowships, and rehabilitation scholarships; and the Delta Chi chapter house corporation at San Jose State.

Reservations should be made by April 20 by calling Mrs. Stephen Sherer, 269-4508.

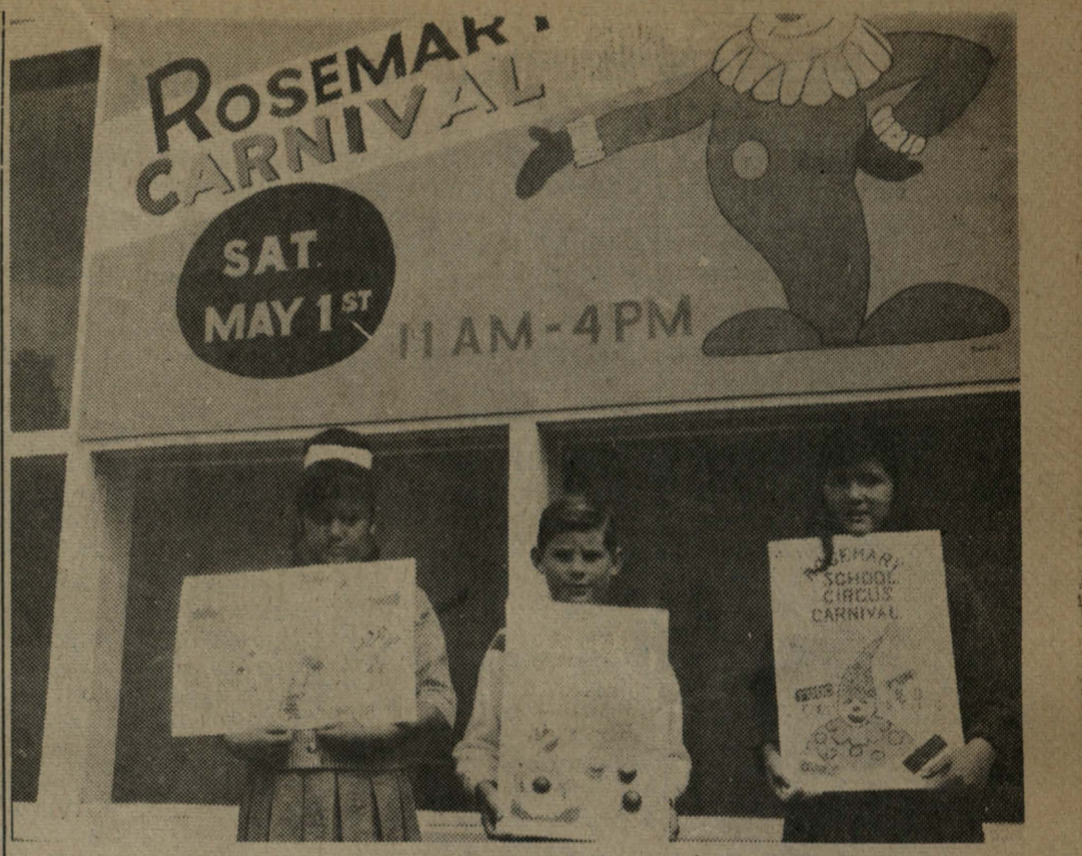
May first is carnival day at Rosemary

Students from Rosemary School's 4th, 5th and 6th grade have made all the posters advertising the Home and School Club Carnival scheduled for May 1, from 11 a.m. to 4 p.m.

Top winners were Chery La Morte, 4th grade, Michael Grindon, 5th grade, and Barbara Williams, 6th grade. They were awarded gift certificates from the Sunshine Card and Toy Shop in the Campbell Center.

The following students received ice cream treats from the Home and School Club for their posters: Karen Moore, Denise Bilbro, Gari Leitz, Steven Evanger, Mark Robarts, Mark Hull, Duane Jolimay, Mike Bass, Vicki Ferrari, Susan Beardsworth, Linda Magnasco, Jean Harris, Kathleen Engdahl, Karen Sisco, Nancy Labrador, Cindy Comita, Terri Bullian and Kristi Cook.

A wonderful program is planned for the carnival with games, prizes, and food on the agenda. There will be a white-elephant booth and a wandering clown. There will also be free child care for the small ones, so that adults can enjoy the fun and entertainment at the school carnival.



THE WINNERS--These students from Rosemary School are the grand winners in the poster contest advertising the Home and School Club Carnival planned for May 1. They were awarded gift certificates from Sunshine Card and Toy Shop. Pictured (left to right) are Chery La Morte, 4th grade; Michael Grindon, 5th grade; and Cindy Comita, 6th grade.

High school fashion show

Parents and friends of students in the Home Economics Department at Campbell High School are looking forward to the group's annual fashion show to be held on Wednesday evening, April 21. The fashion show will be held after the installation of new P. T. A. officers in the High School Cafetorium. Theme for this year's show is Fashion of Dreams.

Miss America encourages Campbell contestants

Miss Vonda Kay Van Dyke, 1965 Miss America, from Phoenix, Arizona, in a letter to the Campbell Junior Chamber of Commerce, sends her best wishes to every contestant who is participating in the Miss Campbell Pageant on May 8.

"If there are any girls in your community who are wondering if they should enter your pageant, I would like to encourage them to participate. It is a worthwhile experience - win or lose - and with all the scholarships that are offered, there are many winners in every pageant. Seven hundred girls are going to college this year with the help of their Miss America Pageant scholarships."

"I hope you will look around and encourage the young women in your community to enter the pageant. This is where the next Miss America will be found, and she may be right there in your own home town."

"Congratulations to all the people who are working on your pageant. You are doing a wonderful job, helping the young women of your community."

The Miss Campbell Pageant semi-finals will be held April 24, the finals on May 8, both at West Valley College. Young women who are interested in entering the pageant may get additional information from Ken Roberts of the Campbell Jaycees at 379-3043, or Verle Weitzel, 378-6663 or Jim Pluth, CY 5-7803.

Cambrian YWCA

At the Cambrian Center YWCA, personal poise classes are slated for both women and teen-age girls. A class in watercolors and pastels is also scheduled. Information is available at 377-8791.

PLANT REDWOOD TREE--Arbor Day was observed at St. Lucy's School recently when this group of Girl Scouts, members of the CampBelles Junior Garden Club, planted a redwood tree. The girls will care for the tree and are learning about conservation of natural resources. The group is under the leadership of Mrs. Lee Aversente of the Campbell Garden Club.

Junior Gardeners plant flowers at Vasona Lake

Spring rains should make the red, white and blue flowers planted by the members of the Camp Belles Junior Garden Club, the Baby Roses Garden Club, and the High School Garden Club at the Vasona Lake and Garden Center burst into blossom. Over 60 girls, all members of the Junior Garden Club, sponsored by the Campbell Garden Club, spent several hours at Vasona Park planting red bottle brush, white star jasmine and blue petunias next to the Garden Center.

The group also planted a small redwood tree in observance of Arbor Day at St. Lucy's School.

This active group, which consists mainly of Girl Scouts, is directed by Mrs. Lee Aversente, and her co-chairman, Mrs. Martha Fitzsimmons. Mrs. Mary Hernandez, Girl Scout Counselor, also assists. At the next meeting of the group, the girls will make favors for the State Garden Club Convention to be held in May.

Miss Niyear Nikah, an exchange student from Iran attending San Jose State College, was a guest at a recent Junior Garden Club meeting. She explained that her country's flower arrangements were entirely Japanese in style.

The girls learn a great deal about horticulture, flower arranging and conservation. The organization is one of the many projects of the Campbell Garden Club.

Moreland Little League will have dance

The Moreland District Little League will hold its annual Dinner Dance at the new restaurant, House of JA'DE, Saturday, April 24.

The evening's activities include a cocktail hour and buffet dinner followed by a Spring Fashion Showing by J. Silber of Westgate. Music for dancing will be provided by the Brown Derbies for the remainder of the evening.

A mink stole will be awarded to the lucky winner of the Moreland Annual Raffle. Door prizes will also be given.

For further information and tickets, please call Mrs. Fletcher L. West, 296-7868.

Mrs: Goble aids federal program

Mrs. Dorothy Goble, a candidate for the board of trustees of the Campbell Union High School District, has just returned from Washington, D.C. where she was sworn in as a migrant consultant as part of the anti-poverty program for the county.

Mrs. Goble, pioneered the program for teaching migrant illiterates, and in 1963 received a $5000 Rosenberg Foundation grant to further this project. She is also a recipient of the Lane Bryant award for exceptional community service. She was named citizen of the year for San Jose in 1957 and the brotherhood award in 1957.

She resides in the Cambrian Park area and has one son at Camden High and another at Dartmouth School.

Story hour for pre-schoolers

Mrs. Arline Hayden, Children's Librarian at the Campbell Library, announces a new series of story telling hours beginning April 21 and lasting for six weeks until May 26.

The series is intended principally for pre-schoolers between the ages of 3 and 5 and will be held every Wednesday morning at 9:30 a.m.

ON CAPITOL HILL

with "Charlie" Gubser

President Johnson's speech of last week at Johns Hopkins University in which he announced his willingness to negotiate the issues in the Vietnamese War was received with both favor and disapproval as one might expect. But what is most interesting is that those who voiced the strongest approval were also those who bitterly protested the logical and necessary sequence of events which led up to, and culminated in, his dramatic speech.

When a President makes a diplomatic gesture like the Johns Hopkins appearance, he is speaking beyond the local audience to the entire world and with an important purpose. His speech is the climax to a long period of diplomatic and psychological preparation.

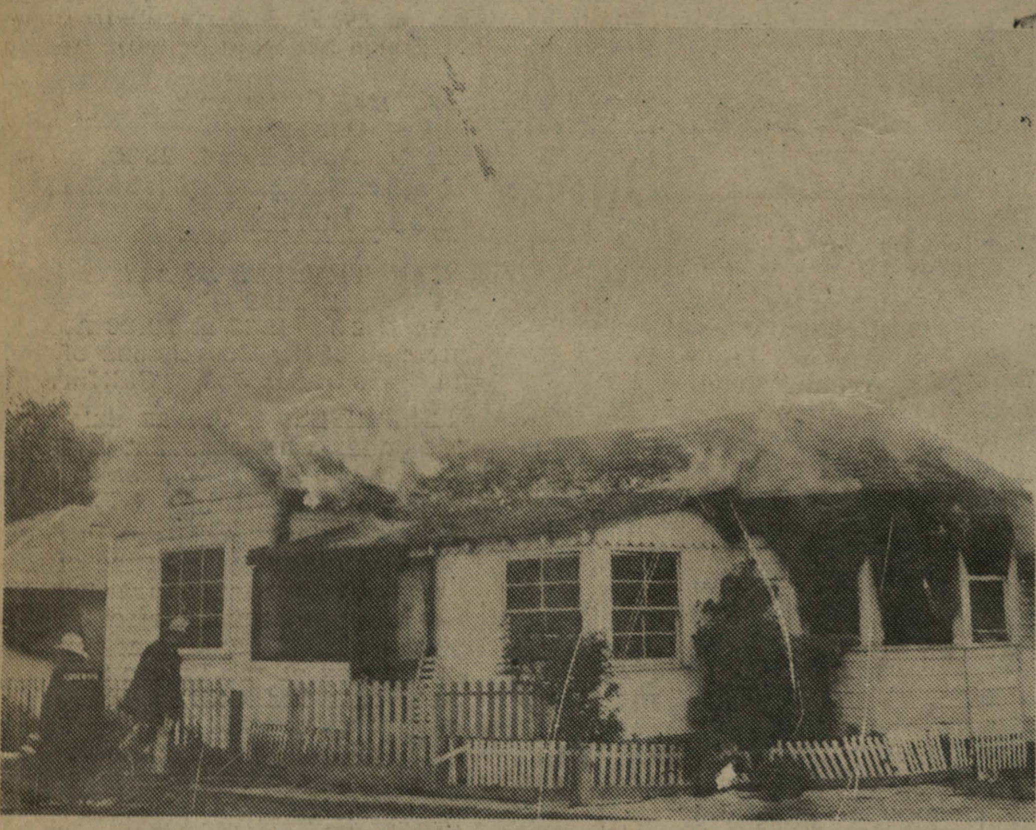
The coldness of a Communist mind views negotiation as a means of salvaging part of an objective. Because negotiation is an exchange of concessions, the Communist would prefer to get what he wants without giving anything in return. So, it follows that if the President's offer to negotiate was not to fall upon deaf ears, the Hanoi government had to be convinced that a continuation of the War was unwise. It was necessary to convince the Communists that we were in the war to stay and were in no sense a "paper tiger". So, our air raids started in February and pressed further and further into North Vietnam to within 65 miles of Hanoi itself. And it was this bombing which drew the most violent protests from proponents of a "negotiation now" policy.

There is no doubt that most of the passionate opposition to our recent "hard line" policy in Vietnam was sincerely motivated on humanitarian grounds and a fear that it would escalate the war. But such criticism falsely assumes that Communist leaders feel as we do and want peace so sincerely that they will negotiate without being forced to it.

Most of the arguments against our policy had a familiar ring. Opponents called it a Civil War and "none of our business", they said the South Vietnamese didn't care, that we shouldn't be imposing our system upon them and that the risk of major war was too great.

The war in Vietnam is not a Civil War. It is clearly a case of aggression by North Vietnam against its neighbor in violation of Treaty Law. Clearly we have a right to help South Vietnam when her government has requested help and every succeeding government has allowed the original request to stand. When a small nation suffers 200, 000 casualties and continues to fight, it is hardly proper to say its people "don't care". When we consider that if South Vietnam is lost to Communism that Laos, Thailand, Burma and Maylasia are certain to follow; that Cambodia and Indonesia, already tottering, will be pushed over the brink; that the Philippines and Japan will be outflanked and hard put to live in a completely Communist Asia, then we must conclude that the war in Vietnam is really the battle for Asia. The geography may be small but the consequences to freedom are fantastically large.

The President's offer may improve chances for ending the war and it may not. But one thing is certain--chances for success are greater today because our Naval and Air Force pilots have taught the Communists that aggression can be costly--maybe too costly.



CONTROLLED BURNING--Another forward step in the improvement program of the Railway-Dillon-Gilman area was taken last week when the fire department burned the house at 100 Gilman owned by John Plog. The house is located next to the Plog Sheet Metal Co. which is scheduled to use the property in its expansion program. Controlled burning allows the department to conduct a practical training program.

CATCH THE CURE

An old cookbook gives this cure for asthma, "Wear the skin of a muskrat—fur side next to the body—over the lungs." Certain relief was assured. It's comforting to know that we have more reliable methods today. In recent years medical science has achieved incalculable improvements in the care and treatment of illness. Your physician can tell you about the effective medications available. Seek his professional advice when you're ill. Then, if he recommends medication, come to us for quality prescriptions.

SOCIAL SECURITY
Questions and Answers

U.S. DEPARTMENT OF HEALTH, EDUCATION, AND WELFARE
SOCIAL SECURITY ADMINISTRATION

Gladstone A. Boquist

Q. My cleaning woman works for me every other Thursday. Do I have to pay social security for her?

A. If you pay your cleaning woman $50 or more in a calendar quarter, you must report her wages and pay the appropriate tax to the District Director of Internal Revenue. The report for the quarter ending March 31 is due on or before April 30. For further information contact your District Director of Internal Revenue.

Q. I've been making over $5000 a year since 1956. I recently took your advice and checked my social security record. The statement I received is wrong. It shows credit for only $4800 a year. Why is this?

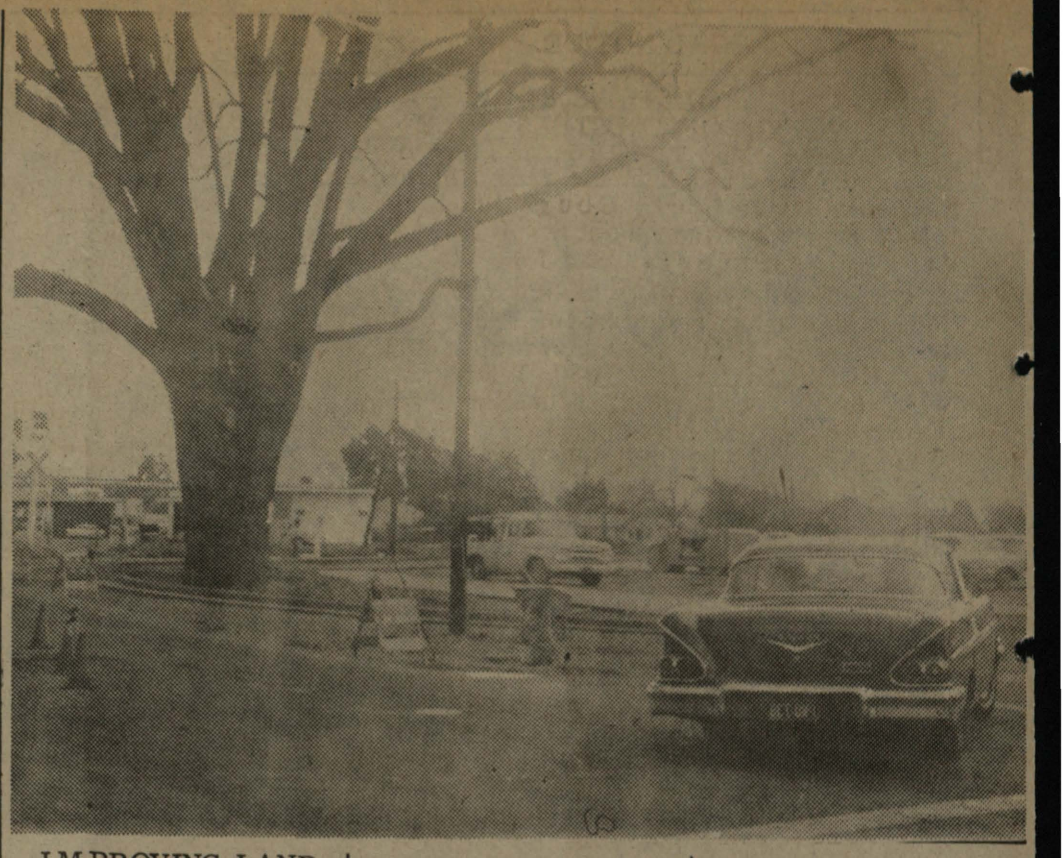
A. $4800 a year is the maximum amount of earnings that can be credited toward your social security account. Even if you earn more than this amount, only $4800 is on your record. You do not pay the social security tax on earnings over $4800.

Q. One of my employees married recently. Her social security card still shows her former name. When I file my quarterly tax report, should I list her present name, or should I list her name as shown on her social security card?

A. The quarterly tax return should always show your employees' names exactly as shown on their social security cards. You should encourage your employees to have their names changed on their cards, so that their cards will show their present names.

Q. Last year I worked the first three months for a man, then we had a difference of opinion and he let me go. I don't remember that he ever asked me for my social security number so I can't see how he could have reported the social security taxes he took out of my pay. What can you do about it?

A. The first step would be to have us check your record in our national headquarters office. If the wages paid you by this employer are covered under social security and are not shown on our records we would then investigate and correct your account.



IMPROVING LANDMARK--Work was almost completed this week on the improvement of the Harrison-Campbell intersection guarded by two stately walnut trees. When the construction is finished, the right turn lane will be widened and new sidewalks will be built and the trees will be in an "island" between the street and the walk.

Candidate cites voter apathy

Thomas J. Grogan, San Jose Attorney, who is seeking the post of Trustee in the Campbell Unified High School District, hopes voter apathy on April 20 would be overcome.

He said every individual in this large district has a personal stake in the future policies of the Board of Trustees and that a large turnout would be a truer indication of approval of District management.

"I have found a shocking lack of interest on the part of many parents in the Campbell Unified High School District," Grogan said, "and in some instances the candidates themselves reflect this apathetic mood."

Grogan, who resides in the district, has been a practicing San Jose Attorney for the past four years, and taught philosophy at Foothill College for two years. He is a graduate of San Jose State College and received his law degree from the University of California at Berkeley.

Planning Commission okays 260-unit apartment complex

Plans for the construction of a $2 million 260-unit apartment complex on the southeast corner of Budd near the proposed San Tomas Expressway have received the blessing of the Planning Commission.

Plans were submitted by Darrel Coleman for buildings on the nine-acre parcel. The complex calls for two and three-bedroom units, swimming pools and recreation rooms.

The commission also approved five other plans for buildings and a sign for the Kirkwood Plaza. Plans approved included, a service station at 770 W. Hamilton Ave.; a warehouse-office at 1146 Dell Ave.; warehouse-office at 1055 Florence Way; office at 1228 Camden Ave.; warehouse-office at 1228 Camden.

The application for a coin-operated car wash at 1801 Winchester (Campbell Shopping Center) was withdrawn by the applicant (Auto-Mat, Inc.)

The planners for the second time denied the variance application of Fred Schallich for sideyard setback and parking for a proposed commercial building at San Tomas Aquino and Campbell Ave. The applicant indicated he would again appeal the ruling to the City Council.

The planners also approved the precise zoning plan for the McGlincey Neighborhood District and a zone change from R-1 for property at 415 Union.

A zone change was okayed for Leonard Pritchard at 1800 W. Hacienda and Mrs. Connie Regas was granted a use permit to allow West Valley College to use the residence at 80 W. Rincon.

The commission also approved the plans for the building to go on the city's corporation yard.'

Letters to the Editor

DR. GANZEL SPEAKS

Dear Editor:

Several questions need to be emphasized in regard to the junior college. In suggesting that there should be a revaluation of all proposals related to the junior college program, it does not follow that everything that has been done by the present board is folly.

But the fact remains there are questions in the minds of taxpayers and those who are extremely interested in the academic offering in the college--all of which have not been satisfactorily answered.

One major problem relates to the "projected" program-shall the community of Saratoga provide educational advantages for all of the students in the junior college district? Needless to say a total revaluation would include more specifically the communities of Campbell and Santa Clara. At least 80% of the students live in the Campbell-Santa Clara area, and no population survey has suggested that this 80% after 10 or 15 years will move to Saratoga.

Let it be understood that I am not opposed to one of the colleges being established on Fruitvale Avenue in Saratoga. But long-range planning is imperative if we are to expect an efficient junior college program in Santa Clara County. Again, it isn't satisfactory to assume there will be no increased taxes with the junior college program such as is contemplated. And there should be no objection to such taxes if funds are handled adequately and efficiently with due regard not only to facilities but to the cost of all educational services including the most important cost of all, that of teaching personnel. The important thing is, how are these objectives to be obtained?

What is necessary is a "middle of the road" approach to the existing problem facing the junior college district, and Santa Clara County. This requires leadership, ability to say "no" when the occasion demands it, also to support those programs that are obviously for the improvement not only of the junior college but also to lend support to those activities from kindergarten through the 12th grade.

I submitted my name as a candidate for trustee because I feel that because of my training and experience I am perhaps best qualified of the candidates to assume the responsibility of working for you as your trustee on both the county board and the junior college board.

My experience includes that of junior college, county and city superintendent, plus valuable experience in program evaluating in a large metropolitan school system.

Finally, I promise you if you elect me as your trustee, that I will devote full time to the job.

I am asking for your vote on April 20 because I believe I can be of service to you. I have no axe to grind.

Thank you for your anticipated help on April 20.

Dewey S. Ganzel
Candidate junior college board and county board of education.

FOR THE BONDS

Dear Sir:

In the late thirties a dictator perfected a policy of half-truth and hard-to-pin-down-myth to sway public opinion and take over a nation. More recently an extremist group in this country has picked up the method to sew its own seeds of doubt and hate and misinformation.

A group of citizens who claim they are interested in sound educational financing has also picked up the method and is exploiting it to the core to defeat the $17.8 million West Valley College bond issue which our children sorely need. Here is a case in point:

This group states "they promised us a 35-cent junior college tax rate," but the group fails to state that the 35 cents is for operation only, not operation and construction of a campus.

In late 1962, a group of responsible citizens, seeking to establish the West Valley Joint Junior College District, published a brochure of possible costs. Included was an estimate of a 35-cent tax rate for operation. Also included was the sentence, "When it becomes necessary to issue bonds for construction of a Junior College...it appears that the total tax rate should not exceed 64 1/2 cents."

The present West Valley Junior College tax rate is 54-cents, and the trustees say that this is enough to retire the bonds. I believe them.

Let's not be misled by the selfish few who don't believe in kids and education.

Sincerely,
Helen G. Quinn

HIGH SCHOOL BOARD

Dear Editor:

As candidates for the Board of Trustees for the Campbell Union High School District, our first interest is that of providing an excellent educational program for the children of our district.

We appreciate the endorsement of the Committee for Better Education. They endorsed our candidacy because we represent the various geographical areas in the district - Clovis Mirassou from the Leigh and Camden High Schools, William Lloyd from the Campbell and Del Mar High Schools, Vern Rutlen from the Blackford and Westmont High Schools.

They felt as a team we would work in harmony with the present board, the teachers and community. We do not owe allegiance to any special groups or persons. We will represent all citizens in the interest of good education. We respectfully solicit your support at the polls on Tuesday, April 20.

LET'S KEEP THE FIRST TEAM

Three West Valley College trustees whom we elected to do a job are seeking re-election on April 20. With their fellow trustees and with the best professional counsel available, they have resisted all pressure groups and have developed a *practical, permanent campus plan* embodied in the $17.8 million bond issue to be voted on April 20. This plan will:

1. Keep our junior college tax rate at its present 54-cent level.
2. Stop the dollar drain of our junior college tax funds to other districts.
3. Provide deserved educational advantages to our children at about one-tenth the in-residence cost at a four-year institution.
4. Build a functionally-planned, attractive campus that is less expensive that the statewide average construction costs, and less expensive than replacement costs of either Foothill College or College of San Mateo.
5. Secure millions of state and federal matching grants available *now* to lighten your tax load.
6. Create a valuable community resource with two additional strategically-placed campuses planned to distribute the student load.
7. Meet the responsibilities of the future.
8. Eliminate the added costs of inflation amounting to more than half a million dollars a year.

KEEP THE TEAM TOGETHER. VOTE FOR THE MEN WHO WERE IN ON THE PROJECT FROM THE START, WHO KNOW ALL THE PROBLEMS AND ALL THE OPPORTUNITIES AVAILABLE TO THE DISTRICT.

VOTE *YES* FOR WEST VALLEY COLLEGE BONDS

AND

Re-Elect these Dedicated Public Servants on April 20

Lets' Get on With the Job

Your West Valley College trustees have* pinpointed a campus location (in accordance with editorial advice by the San Jose Mercury, Aug. 10, 1964) and have called a** bond election (in accordance with advice by the Santa Clara Taxpayer's Association, Aug. 7, 1964). This new campus will:

- **KEEP TAXES DOWN.** Highly-qualified fiscal experts have asserted that the present 54-cent junior college tax rate will be sufficient to operate the college AND retire the bonds.
- **STOP THE DOLLAR DRAIN** of a million plus a year to other districts.
- **MAKE POSSIBLE A GIFT** of $1,215,000 earmarked for West Valley College by state matching sources thus lightening your tax load. Federal matching funds are also available.
- **PROVIDE OUR YOUNG PEOPLE** with quality transfer or terminal education for about one-tenth the cost at a four year institution.
- **MEET RESPONSIBILTIES OF THE FUTURE.** Provide for the thousands of elementary and high school youngsters coming up and finish the job started Jan. 8, 1963 when you voted the district Into being.

SPEAKING OF EXTRAVAGANCE

Amid unproved claims of extravagance claims loudly voiced even though no specific plans have been submitted a small minority would scuttle the bond issue. If they succeed, they will:

- Force the district by continued delays, to pay higher site and construction costs (they've already cost us half a million dollars extra).
- Force an almost certain tax increase because the campus would have to be built from current revenues rather than by the bonding method recommended by the Santa Clara County Taxpayers Association.
- Force the continued dollar drain to other districts, in effect using your tax funds to build their buildings.
- Force many West Valley students to travel longer distances to class and at greater personal expense (to Foothill, for example).
- Force the outright loss of the matching millions.

The privileged few HAVE TRIED TO FORCE your trustees to buy a site which would cost you A MILLION DOLLARS MORE than the one selected. IS THIS SOUND FINANCING?

DON'T BE MISLED. GET THE FACTS. IT'S YOUR COLLEGE.
DON'T LET THEM TAKE IT AWAY FROM YOU.

VOTE YES FOR WEST VALLEY COLLEGE BONDS APRIL 20

* "Before the (West Valley) trustees go back to the voters with another bond issue, they should settle this question of location. Lack of funds may make it impossible to buy a site before the next bond election, but the trustees should be able to pinpoint the location with reasonable assurance."
San Jose Mercury, Aug. 10, 1964

** "The (West Valley) board's decision to look to bonds rather than to a tax increase for the purpose of acquiring a permanent site is a wise and thoughtful one. We believe that it will gain you a great deal of sympathetic understanding of what is unquestionably a pressing need for West Valley students."
Los Gatos Times-Observer, quoting
Dale Scott, research director,

Rinaldi is a representative of National Public Service Insurance Co... Everyone is praying for good weather for next Tuesday when the Giants play their first game of the season at Candlestick Park. YES, I PLAN TO BE THERE!...

There was a terrific turn out at West Valley College auditorium last week for the college's first annual Open House, in spite of the rain. The guests heard a welcome by the college president, DR. WALLACE W. HALL, and then saw a number of exhibits from all departments. Questions continued until well after 10 p.m. by guests who buttonholed various officials wearing identifying badges. Coffee was served in the student union...
